WHY IS IT SO MUCH MORE EXPENSIVE FOR THE BRIDE?

Our bridal packages, both Signature and Ultimate, are all-inclusive - except for travel. Both packages include a dedicated bridal hair stylist (Amelia) and a separate bridal makeup artist (Emma).

WE CREATE WEDDING MORNINGS TO REMEMBER

In addition to our experience in the hair and makeup industry - we will work with you to make your wedding day as stress-free as possible. We'll liaise with your vendors, create customised timelines for the big morning, and with years of friendship under their belt - Emma, Amelia and the team will bring positivity, good vibes, and a great time!

WE ONLY USE HAND SELECTED PREMIUM PRODUCTS

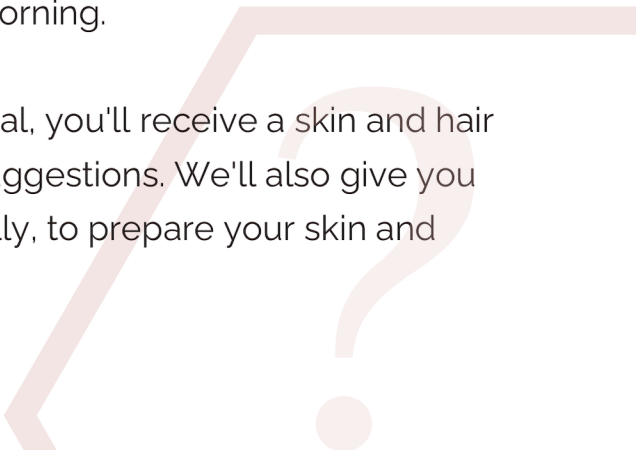

We exclusively use Velbella Airbrush... because Amelia and Emma are co-directors! Velbella Airbrush makeup is specifically formulated for brides, is ultra long-wearing, hypoallergenic and is used by other makeup artists around Australia and New Zealand.

In addition, Amelia and Emma have hand selected the finest skincare, makeup and haircare products available on the Australian Market. We have extensive products to suit all hair and skin types and styles.

WE GET TO KNOW YOU AT THE BRIDE TRIAL

We treat your bridal hair and makeup trial like a Q&A. We're looking for lots of communication. Our trials usually last about 2-3 hours, which seems long, but we're getting to know each other. We pride ourselves on building relationships. We're here to make sure the morning of your wedding is as fun as possible...a real celebration of you. To facilitate that we talk..alot. We'll ask you about your bridal party and go over what to expect on the wedding morning.

And... if you selected The Ultimate Package at the trial, you'll receive a skin and hair analysis, accompanied with personalised product suggestions. We'll also give you customised skin and hair care instructions, specifically, to prepare your skin and hair for your wedding day.
